

FIELD HISTORY (*ROTATIONAL*) LOG

A “Field History Form” should be maintained for every farm that you manage (organic, transitional, and conventional).

This form (documenting the last 3 years of rotational production), should accompany your Organic Crop Production System Plan or Update.

Farm/Site Name: _____ Total Acres in Farm: _____

Code: O = Organic; T = Transition/Conversion to Organic; C = Conventional

Present Year 200__			Previous Year 200__		2 nd Previous Year 200__		3 rd Previous Year 200__
